California  
Oil Investments

As shown by the official statement of the San Francisco Stock Exchange, over \$1,400,000 were paid by the listed oil companies for June. Some remarkable records have been made by some of the oil companies promoted by V-I-Illinois Crude, for instance. This company has paid \$9400 an acre in dividends already and is producing now about 50% more oil than it did a couple of years ago.

Through our long experience in California oil we are able to select only good companies for our hundreds of clients. We may mention Premier, Section Six, Palmer, Yellowstone, Cresco, etc., which are all heavy producers. Amongst the low-price stocks we RECOMMEND THE IMMEDIATE PURCHASE OF SHARES OF THE "VENTURA OIL DEVELOPMENT CO.", which, according to present indications, will become our banner company.

The shares are offered now AT 15 CENTS EACH, but the price will be ADVANCED ON JULY 22. Make therefore your investment now, and reap the benefit of the advance in price. We have sold a great many shares, and we want you to join us in the road to success.

Mr. J. Oswald Lutted has just received good news from Lakeview Oil Co. Another big oil gusher has come in within a half mile of their property.

Clyde Wright met with a painful, and what might have been serious, accident yesterday. While setting the bowl in the lavatory of his new house in Palolo, the heavy tank dropped from its brackets striking Wright on the head, cutting a gash in his scalp three inches long. He was taken to town in Mr. Wood's auto and had the wound sewed up.

Every American citizen should go to the polls and vote, Tuesday. Vote No.

In response to a cable just received by Mr. Lutted, stock in Lakeview Oil Co. No. 2 will positively be 30 cents per share after July 31. Another big gusher having come in within half mile of Lakeview No. 2. It is a nine to one proposition in your favor, don't neglect it. Come and see me at once. J. Oswald Lutted, next to Convent, Fort St. Phone 690.
